

LYNDHURST HOUSE SCHOOL

MISSING CHILD POLICY & PROCEDURES WHEN A CHILD IS NOT COLLECTED ON TIME

PART ONE: MISSING CHILD POLICY

INTRODUCTION

The welfare of all of our children at Lyndhurst House School is our paramount responsibility. Every adult who works at the school has been trained to appreciate that he or she has a key responsibility for helping to keep all of the children safe at all times. Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

INFORMATION FOR PARENTS

Other arrangements concerning the welfare of the children at Lyndhurst are described in the Parent Handbook for Pre-Prep.

The enhanced supervisory arrangements for outings involving our youngest children are set out in a detailed policy document: "Educational Visits for EYFS Children." A number of documents are on our web site and can be provided to parents on request. We review these policies regularly (at least once a year) in order to satisfy ourselves that they are robust and effective. All new staff receive a thorough induction into the importance of effective supervision of very young children.

ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING FROM THE SCHOOL

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child was found to be missing, we would carry out the following actions:

- Take a register in order to ensure that all the other children were present
- Inform the Head of the Pre-Prep
- Ask all of the adults and children calmly if they can tell us when they last remember seeing the child
- Occupy all of the other children in their classroom by reading to them
- At the same time, arrange for one or more adults to search everywhere within the School, both inside and out, carefully checking all spaces, cupboards, washrooms where a small child might hide
- Check the doors, gates and CCTV records for signs of entry/exit

If the child is still missing, the following steps would be taken:

- Inform the Headmaster (who is also the Designated Teacher for Child Protection)
- Ask the Headmaster to ring the child's parents and explain what has happened, and what steps have been set in motion. Ask them to come to the school at once
- The Headmaster would notify the Police
- The Headmaster would arrange for staff to search the school premises again
- If the child's home is within walking distance, a member of staff would set out on foot to attempt to catch up with him
- The Headmaster would inform the Local Children Safeguarding Board
- The school would cooperate fully with any Police investigation and any safeguarding investigation by Social Care
- Inform the Proprietors
- The Insurers would be informed
- If the child is injured a report would be made under RIDDOR to the HSE

A full record of all activities taken up to the stage at which the child was found would be made for the incident report. If appropriate, procedures would be adjusted.

ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING ON AN OUTING

- An immediate head count would be carried out in order to ensure that all the other children were present
- An adult would search the immediate vicinity
- The remaining children would be taken back to school
- Inform the Headmaster by mobile phone
- Ask the Headmaster to ring the child's parents and explain what has happened, and what steps have been set in motion. Ask them to come to the venue or the school at once
- If appropriate, contact the venue Manager and arrange a search
- Contact the Police
- The Headmaster would inform the Local Children Safeguarding Board
- The school would cooperate fully with any Police investigation and any safeguarding investigation by Social Care
- Inform the Proprietors
- The Insurers would be informed
- If the child is injured a report would be made under RIDDOR to the HSE

A full record of all activities taken up to the stage at which the child was found would be made for the incident report. If appropriate, procedures would be adjusted.

ACTIONS TO BE FOLLOWED BY STAFF ONCE THE CHILD IS FOUND

- Talk to, take care of and, if necessary, comfort the child
- Speak to the other children to ensure they understand why they should not leave the premises/separate from a group on an outing

- The Headmaster will speak to the parents to discuss events and give an account of the incident
 - The Headmaster will promise a full investigation (if appropriate involving Social Services/ Local Children Safeguarding Board)
 - Media queries should be referred to the Head
 - The investigation should involve all concerned providing written statements
 - The report should be detailed covering: time, place, numbers of staff and children, when the child was last seen, what appeared to have happened, the purpose of the outing (where appropriate), the length of time that the child was missing and how he appeared to have gone missing, lessons for the future.
-

PART TWO: PROCEDURES TO BE FOLLOWED BY STAFF WHEN A CHILD IS NOT COLLECTED ON TIME

If a child is not collected within 20 minutes of the agreed collection time, we will call the contact numbers for the parent or carers. If there is no answer, the Head of the Pre-Prep will begin to call the emergency numbers for this child.

During this time, the child will be safely looked after.

If there is no response from the parents' or carers' contact numbers or the emergency numbers within a when the premises are closing, the Headmaster will contact the Social Care Duty Officer on 020-7974 1088. Social Care will make emergency arrangements for the child and will arrange for a visit to be made to the child's house and will check with the Police. We will make a full written report of the incident.

We undertake to look after the child safely throughout the time that he or she remains under our care.
